Descripción Del proyecto

- Aplicación web bancaria moderna que permite a los usuarios visualizar su información financiera de forma clara, organizada y accesible.
- Arquitectura modular basada en templates HTML reutilizables, lo que facilita la escalabilidad, el mantenimiento y el trabajo colaborativo dentro del equipo.
- Interfaz centrada en la experiencia de usuario (UX), con un diseño limpio, jerarquía visual clara y navegación intuitiva para consultar cuentas, movimientos y realizar acciones rápidas (transferir, pagar, recargar).

LISTA DE REQUISITOS Funcionales

- Visualización de productos financieros (Cuentas, Tarjetas, Préstamos, Seguros).
- Herramienta de simulación de préstamos (cálculo de cuotas según cuantía y plazo).
- Registro de nuevos clientes y sistema de login.
- Visualización del saldo consolidado tras autenticación.
- Histórico de transacciones con detalle (fecha, concepto, categoría, importe).
- Operaciones rápidas: transferencias, pago de recibos y gestión de tarjetas.

LISTA DE REQUISITOS No Funcionales

- Diseño responsive
- Cumplimiento de estándares de accesibilidad.
- Protección de datos personales y cumplimiento legal.
- Cifrado seguro en la carga de documentos.

PÁGINA Usuario Movimientos

The image shows a user interface for a banking or payment application. At the top left is a placeholder for a profile picture. To its right, the text "Nombre usuario" and "Nº Cuenta" is displayed. In the top right corner is a user icon. Below these elements is a large, light-gray rectangular area labeled "Dinero disponible". Underneath this area are three purple buttons with white icons and text: "Transferir", "Pagar", and "Recargar". Further down, there is a section titled "Connected button group" containing two buttons: "Movimientos" (selected) and "Tarjetas". A red oval highlights the "Tarjetas" button. Below this is a table showing five transaction entries, each with a camera icon, the transaction type "Buy Camera", the date "02/11/2018", and the amount "\$1200". The first and third transactions show a positive balance change ("+\$1200"), while the second, fourth, and fifth show a negative change ("- \$1200").
